

*Arusha Lutheran Medical Centre*

The Arusha Lutheran Medical Centre (ALMC) is Arusha's newest and only full-service hospital. Their mission is to serve, treat, and minister to the whole person; in body, mind, and spirit. They, like the rest of the world, are treating many Covid-19 patients and are in need of oxygen to continue their work of healing.

A gift has been given in your name to help ALMC supply oxygen to Covid-19 patients.

*May you feel joy this Christmas through this gift to others in need, and in God's gift to us all, Jesus Christ.*
